Dear Karen,

Following the summary closure of the ARC Bar the Arlebury Park Pool team found itself suddenly without a venue to hold home matches in the Winchester and District Pool League. As I indicated to you at the time we felt obliged to fulfil our remaining home fixtures in the league and cup for the remainder of the season. This meant that four home fixtures had to be rearranged and since the nearest venues with a pool table and able to host these fixtures are in Winchester it meant that the team had significant additional expenses for travel to those venues.

We consider that the council is morally if not legally responsible for these expenses since no notice of closure was given. I enclose four taxi receipts for forty-five pounds each (that is the standard amount we pay for each away fixture with James Taxis of Winchester for a return trip to the venues that we used.)

The venues which helped us were the March Hare in Harestock and Weeke Community Centre to whom we were very grateful. Dates of the trips are given below.

12/4/2017 Home Versus Worthies Club (Held at March Hare Harestock)

19/4/2017 Home Versus County Arms (Held at Week CC)

3/5/2017 Home Versus South Wonston (Held at Week CC)

17/5/2017 Home Versus Weeke CC (Held at Weeke CC)

Yours Sincerely

Trevor Hillary (Captain Arlebury Park Pool Team)
