January 2018

## *Alresford's Hanging Baskets 2018*

This year New Alresford Town Council will once again be organising hanging baskets and up-the-pole floral displays in the Town Centre. Hanging Garden Nursery will again be supplying and maintaining the baskets. They will be able to water and maintain your basket if you live on the main thorough fare of the town centre. If your property is difficult to access by a large vehicle or you do not live in the town centre, you will still be able to order a basket, but the watering and maintenance will fall to you.

The cost of the baskets remains at £39.00 and they will be hung this year in time for the Watercress Festival on Sunday 20th May. The baskets incorporate a special water reservoir system to prevent them drying out in hot weather, slow release feed and P4 water crystals. The price includes the provision of the basket, hanging and removal in October as well as feeding, use of pesticides if necessary and the removal and replacement of any sub-standard plants, and watering throughout the season. During very hot weather additional watering by residents may be required.

If your premises are not suitable for a basket we can provide a limited number of planted troughs as an alternative. Please call Frances Simpson NATC Committee Clerk (01962 732079) to discuss your requirements or email as above.

To ensure your order please complete the form below (or email) and return to the Council Offices at Arlebury Park no later than **12th March** so that we can instruct the nursery to provide the necessary number of baskets. Also, please ensure that you have a suitable bracket on which to hang your basket.
